

Welcome to the **This House of Books 2024 Reading Challenge**. To participate, you just need to read as many books as the median American reads in a year: **FOUR!** Select from the categories below, and bring your completed list to us by the end of the year for entry in a prize drawing. For each set of four distinct categories, you will receive one entry...so you can get up to three entries if you read in all 12 categories! Readers of all ages are eligible. Details and suggestions are on our website!
